

# INDICATIVE DEMAND FORECAST

Mail: PO Box 1060, Glenorchy TAS 7010

Fax: 6273 9205

 Email: [info@southernwatertas.com.au](mailto:info@southernwatertas.com.au)

<b>Name of customer</b>	
<b>Billing address</b>	
<b>Contact phone number</b>	
<b>Billing point number</b>	
<b>Total storage (ML)</b>	

Please indicate your estimate for water consumption in the spaces below. Please include any comments or additional information regarding your consumption. The information is used to help Southern Water manage the off-peak program and forecast demand.

	Month	Estimated ML	Comments
<b>Off-peak period</b>	April		
	May		
	June		
	July		
	August		
	September		
<b>Peak period</b>	October		
	November		
	December		
	January		
	February		
	March		

**Please note**

- There is no guarantee that off-peak water will be supplied in any period. Please refer to the off-peak water supply policy and your off-peak water supply agreement for more information.
- If water is required during the peak season (1 October – 31 March) you will be required to submit a separate water order form.
- This schedule is to be completed and submitted to Southern Water at the beginning of each financial year.

**Office use only**
